I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I
OBJECT to the definition of ^{F 41.8} ~~inordinate amount~~ which restricts the availability and
the right to obtain necessary compounded medications by limiting the number of
prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

Comments: The limitations on the number of
prescriptions shipped out of state would
compromise my quality of life by
restricting my ability to obtain medication
my doctor has prescribed, and that
I NEED !!
